1200	600	30	35,85	55,45

Span = Bearing Bar Direction

Indicated dimensions are bearing bar dimensions; Measurement given represent external dimensions with frame; gratings are 10 mm shorter in length and width

Standard construction grating

U-shaped or T-shaped banding bar galvanized
Mesh width 30 x 10 mm

Span (TS) (mm)	Width (FS) (mm)	Height (mm)	Gross price without frame EUR	Gross price including frame EUR
